

# THE BULLETIN.

MAYSVILLE, OCT. 6 1864.

**Increase of the Price of the Bulletin.**  
The Subscription price of the BULLETIN will hereafter be ONE DOLLAR AND FIFTY CENTS per year, instead of ONE DOLLAR.

☞ The potato crop in Hampshire county Massachusetts, is so large this season that farmers are hurrying them to market for fear of rot.

☞ A building is finished in Cleveland, 44 by 80 feet, which is to be used for preserving fruit. The air in the room is to be all pumped out.

☞ There are now about 115,000 miles of railway in the world. These have consumed 40,000,000 tons of iron.

☞ Gen. Joe Hooker, lately a great favorite of the Lincoln Administration, is out for McClellan for President.

☞ The Nashville papers have advanced their rates of subscription to fourteen dollars for their dailies per year.

☞ An unusual number of bounty jumpers have recently been arrested in Alexandria, and are awaiting court-martial. One man is charged with having enlisted, received the bounty, and deserted twenty-seven times.

☞ The late Exhibition of the Mason and Bracker Agricultural Association was a decided success. Notwithstanding the inclemency of the weather the attendance was large and the show of stock fine.

**Revival of the Clothing Trade.**

Mr. Louis Dessar has returned to this City, and re-opened his CLOTHING STORE, on the Corner of Market & Second Street.—He has just received, direct from the East a splendid stock of the most beautiful and fashionable Fall and Winter Suits, Coats, Pants, Vests, Shirts and Furnishing Goods for Gentlemen, to be found in the Emporium of Fashion in the East. The business will be under the control of Mr. J. ALEXANDER, who will be pleased to wait on all who may favor him with a call.

☞ Mr. G. W. BLATTERMAN has sold his Book Store to Mr. JAMES SMITH of this city, who will continue the business in all its branches. Mr. Smith will keep, in this well established house, a large and varied stock of goods, such as usually kept in a first class Book Store. Here can be found Fancy Articles, Wall Papers and all publications, new and old. Mr. DAN BONIWEILL, who has won many customers to the house by his obliging manners, will continue with the new proprietor.

☞ The confederates of the Lincoln party are too tender to obey the Constitution, but hardened enough to break it although sworn to support it.

☞ All the cotton mills on the Chesnut Hill stream, in Windham county, Connecticut, have stopped running on account of the high rate of cotton.

☞ The rebel General Gordon, who was killed in the battle in the Shenandoah Valley was a graduate of Yale College in the class of 1849. He was a lawyer in Savannah when the war broke out.

☞ The Confederates claim to have taken a number of prisoners from the Ninth Corps in the late fighting near Richmond.

The Richmond papers boast of a victory over Sheridan, and say he is retreating.

Gen. Grant says Gen. Butler, with two brigades of infantry, went within a few hundred yards of the inner defenses of Richmond and met with little opposition.—Why did they not go further in, then?

**"ALL THE DECENCY"**—At a Lincoln ratification meeting in Cincinnati, recently, the banners bore such mottoes as "Hell and hemp for traitors," "Damn the Democracy," &c., &c. The great concluding piece of the evening, taking the place which fireworks usually occupy at Democratic meetings, was a procession of forty young radicals, carrying a rail upon which was straddled a negro typifying the genius and spirit of radicalism.—Jeffersonian.

☞ Well my boy do you know what 'syn tax' means? said a schoolmaster to a pupil. "Yes, sir," was the reply; "the duty upon spirits."

☞ "Senny, can you cipher in two syllables?"

"Yeth, thir—and thpell in the rule of three all day long."

"Smart boy. Now see if you can tell what a pint of cold slaw will come to at a cent a yard."

**MAYSVILLE SEMINARY!**  
THE THIRTY FIRST YEAR, UNDER the present Principal, will commence September 10th, 1864. W. W. RICHESON, Principal, Mayville, Ky., August 4th, 1864.

St. Louis, Oct. 3.—Latest reliable accounts state that Price is moving on Rolla in three columns, the right under Shelby and Marmaduke, the center under himself, and the left under Cooper—the latter mainly composed of half-breed Indians. About five hundred rebels entered Union, the county seat, of Franklin county, on Saturday, and captured about one hundred county militia.

Washington had a garrison of 600 men under Colonel Gale, who evacuated the place on the approach of the rebels, and took his men and stores across the Missouri river.

Information from Jefferson City, up to last night, reports all safe.

The depot at Jacksonville, on the North Missouri Railroad was burned by guerrillas this morning.

Nothing yet heard from Gen. Ewing.

All the fortifications around St. Louis were manned to-day, as a precautionary measure.

Surgeon Carpenter, Medical Director of this District accompanied by a rebel flag of truce, arrived here last night to procure medical supplies for wounded of both sides.

The rebels lost about 200 killed and 600 to 800 wounded in the assault on the fort.—Major Wilson of the 3d Missouri Militia, commandant of the post, Capt. Dinger, of the 47th Missouri, were captured by the rebels and badly treated. Major Walker, who bravely defended the position, and several other persons, were murdered in cold blood after the surrender of the place.

The Iron Mountain Railroad has been pretty badly damaged, and it will take two months to repair it.

There is nothing new from Franklin this morning.

Two brigades of enrolled militia from this District have gone to Laclede Station, on the Pacific railroad, eight miles from here.

It is understood that General Rosecrans takes the field to-day.

Among the rebel wounded at Pilot Knob are Colonel Thomas, Colonel Monroe, Maj. Stridger, and several Captains.

**Telegraph News Very Uncertain.**

Much, if not most of the news of a political or military character, now put about by the telegraph, is not only uncertain, but absolutely false; and the leading purpose of it, to make political capital for "old Abe." These electioneering lies are nearly as abundant as Lincoln tax gatherers and "shoddy" thieves, are prominent almost daily in the city journals, under the head of telegraph news. Our advice is, that the public be on their guard against this Lincoln game, until after the Presidential election, for the telegraph of the country is under Lincoln control, and there is no reason to suppose that it will be known to be by its fabricators, that will not be sent over the wires, if it is likely to benefit the cause of "Old Abe." Of this character are most of the first reports of local elections, of recent peace propositions, and of great victories; but they immediately find their way into the Lincoln country newspapers, and are read and perhaps believed, by thousands who will not be informed of their falsity for weeks. A home specimen of this kind of news was exhibited in a large portion of Tuesday's issue of the *Village Record*, in which was announced a telegraph account of a splendid victory by Sheridan, the surrender of Early and Breckinridge, the capture of 9000 rebel prisoners, &c. And there was not a particle of truth in the report; but it has gone broad-cast over the country, on its intended mission of impressing the popular mind with false hopes and expectations not likely to be soon realized.

Our counsel to the people—to Republicans and to Democrats—is that they have very slow in putting confidence in any telegraph news which is odoriferous of Lincolnism,—for, the probability is that it is unreliable, and designed to deceive and mislead. He is wise, in these times, who possesses his soul in patience, and awaits the arrival of Truth, because when she does come in her "slow coach," and proclaim an election result, a peace proposition, or a great victory on the battle-field, you can rely on it.—Westchester (Pa.) Jeffersonian.

## NOTICE To the Tax-Payers of Mason County.

BY an act of the General Assembly it is made my duty, immediately after the 1st of June, to proceed with the Collection of the public Revenues as speedily as possible. By the same act it is made my duty to report, at the July, September and November County Courts, the amount of taxes collected and pay the same over to the Auditor. I am authorized under said act to notify the Tax-Payers by public notice, stuck up at the Court house, and in the different Precincts or districts of the County, that on certain days between the 1st of October, and the 15th of November, I or my deputies, will attend at the place, holding election in such districts and receive their taxes. It is made the duty of the tax-payer to attend on such days and pay the same. If this is not done, after that date they will have to pay the same at the Court house; and, if not done there within the time prescribed by law, ten per cent, upon the amount is added. Thus it will be seen that it will be to the interest of the tax-payers to see to it that their taxes are paid, within the time prescribed by law, as after that time I shall invariably add the ten per cent, imposed by law, to their list when I come to collect. This I shall be compelled to do as I shall have to advance the Revenue due by such delinquents and enforce payment at once with the costs to reimburse myself. By paying attention to the matter and promptness, the thing will work first rate. The people have the same time, as heretofore, within which to pay their taxes. The only difference being, that they shall give the matter attention themselves and see to its payment at the time and places prescribed. Instead of the old way of having the Sheriff call half dozen times, more or less, for their taxes.—The law is plain, simple, and to the point; and I intend to comply with its provisions and enforce its penalties; and this notice is given to call the attention of the people to it, so that no harm may be done any one, in consequence of their ignorance of the law. The time and place at which I, or my deputies, will attend in the different Precincts to receive taxes between the 1st of October, and the 15th of November; will be advertised by public notice stuck up as required by law. In the mean time, let every one pay up that tax, when called upon between this and that time, that a good account of the promptness of the people of the county may be reported to the auditor at the July and September terms of our Court.

Respectfully,

H. S. JEFFERSON, Sheriff Mason Co.

According to the above, the Tax-Payers are notified that HENRY S. JEFFERSON, Sheriff, will attend at the following places, on the days named, to receive their taxes:

At Mt. Gilead, 14th and 15th days of October.

At Preston, 17th day of October.

At Helena, 18th day of October.

At Sardis, 19th and 20th days of October.

At Sardis, 21st and 22nd days of October.

CHARLES E. TABB, Deputy, will attend at the following places, on the days named:

Lewistown, 11th and 12th of October, at Jno. Lawler's Store.

Washington, 13th and 14th of October, at H. W. Wood's Store.

Mayville, 15th and 17th of October, at the Clerk's Office.

PERRY JEFFERSON, Deputy, will attend at the following places, on the days named:

Dover, 11th and 12th of October, at R. T. Evans' Grocery.

Washington, 18th and 19th of October, at Jno. Thompson's Grocery.
